

Join Us for the 2026 Atlantic Shellfish Health Workshop

Join us for a full-day **hybrid event** bringing together the shellfish sector from across Atlantic Canada to share knowledge and manage current and emerging shellfish health challenges.

Participants may attend **in-person or online**.

Who should attend: Shellfish professionals looking to collaborate. Such as, oyster growers, harvesters, and processors, hatchery and nursery operators, applied research and development professionals, regulators and extension service professionals, and academics.

Date: February 10th, 2026

Time: 8:30 am - 4:30 pm

Location: Marriot Harbour Front Hotel, Halifax, Nova Scotia

The workshop is being coordinated and hosted by the **Canadian Atlantic Shellfish Health Network (CASH'N)**. CASH'N is a collaborative initiative of the Atlantic provinces that supports research and fosters outreach and information sharing to better respond to growing health concerns within the Atlantic shellfish industry.

This workshop is **free to attend**.

Registration link: <https://forms.office.com/r/94wkfycxQy>

Registration **closes January 23rd, 2026**.

There is limited travel support funding for **small-scale oyster processors, wild harvesters, or growers** who require financial assistance to attend the workshop in person. Individuals can apply for this funding [here](#).

Please note that **funding is not guaranteed for all applicants**.

Travel support applications **close January 16th, 2026**.

Reminder: This event is free to attend but requires separate registration from the Sea Farmers Conference.
